

A white Suzuki truck with a flatbed trailer, shown from a side profile. The truck has a boxy cab with a large windshield and a prominent front grille with the Suzuki logo. The flatbed trailer is long and empty, with visible side rails. The truck is parked on a dark surface against a white background.

A technical line drawing of a curved metal profile, likely a part of a vehicle's body or chassis. It features a series of mounting holes along its length and a complex internal structure with various slots and recesses.

Two views of a rectangular amber traffic light lens. The left view shows the lens with a grid pattern and a small red reflector at the top. The right view shows the lens with a grid pattern and a small red reflector at the top.
